Radiologic Technology Application Worksheet

*It is **STRONGLY** recommended that students meet with a Santa Rosa Junior College Health Sciences counselor to review and ensure the accuracy of the worksheet **PRIOR** to submitting the application.*

How to Complete the Radiologic Technology Application Worksheet - The point system worksheet, shown below, is provided to aid students in planning their classes prior to applying to the Radiologic Technology program and is subject to change by the department without notification. **All courses listed will be compared to official transcripts for verification prior to points being awarded.** Ties in points will be broken on the basis of overall degree applicable GPA as listed on the student's official transcripts.

* = **Recency Required** – write in semester course completed (example: Fall 2022)

Semester Units Earned may vary - dependent on the number of course units.

Maximum Semester Units Applied to Application – Based on the number of units for listed SRJC courses.

Grade (Point) Equivalents: A= 3 B=2 C=1. Write in both the letter grade and the point equivalent for each course. (example: A (3))

Points Award Calculations: Multiply the number of units applied by the grade point equivalent for each course. (EXAMPLE: ANAT 58 = 3 units; Grade (Points) = A(3); 3 X 3 = 9 points awarded)

Grades for High School AP Classes: Passing scores of 5, 4 or 3 will be accepted as equivalent to the letter grade of A, B or C. Once AP course equivalents are determined to be letter grade A, B or C, the Grade (Point) Equivalents, listed above, will apply for calculating and awarding points.

*** If a course is deemed equivalent and transferrable to an SRJC course (and there would be no other reason to retake a course), then the points that are listed for the SRJC course would be applied and awarded.***

Required Pre-Requisite Course Names (SRJC) EXAMPLES	Approved Equivalent Course (Other Schools)	Semester Units Earned	Maximum # Semester Units Applied to Application – see *** above -	Letter Grade (Points)	Points Awarded (# applied units X grade points) -up to maximum points possible	Maximum points possible
*ANAT 58 Introduction to Human Anatomy (or higher) (semester completed Fall 2022)	BIOL 120 Human Anatomy – College of Marin	4	3	A (3)	3 applied units X 3 grade points = 9 points awarded	9
ENGL 1A Reading & Composition	ENG-200 College Composition – Mendocino College	3	4	A (3)	4 applied units X 3 grade points = 12 points awarded	12

Required Pre-Requisite Course Names (SRJC)	Approved Equivalent Course (Other Schools)	Semester Units Earned	Maximum # Semester Units Applied to Application – see *** above -	Letter Grade (Points)	Points Awarded (# applied units X grade points) -up to maximum points possible	Maximum points possible
CS 5 Computer Literacy			3	( )		9
* HLC160 Medical Terminology (semester completed_____)			3	( )		9
RADT 99 Community Engagement Related to Medical Imaging			1	( )		3
RADT 100 Survey of Medical Imaging			2	( )		6
ENGL 1A Reading & Composition **OR** ESL 10 ESL College Composition (or higher)			4	( )		12
*ANAT 58 Introduction to Human Anatomy (or higher) (semester completed)			3	( )		9
PHYSIO 58 Introduction to Human Physiology (or higher)			3	( )		9
