CLINICAL SITE_____ DATE_____

Authorized Technologist & CI Signature Verification

The following staff technologists are approved by the agency and the college and have:

- **Received training in student instruction;**
- **have read the "Clinical Grading" and "Clinical Grading Process A to Z";**
- **have read "CI responsibilities" and "Orientation Procedures".**

These are the only technologists, other than the Clinical Instructor designated to sign off student competency exams in the Clinical Competency Handbooks.
