

Radiologic Technology Application Worksheet For applications due in March 2026.

*It is **STRONGLY** recommended that students meet with a Santa Rosa Junior College Health Sciences counselor to review and ensure the accuracy of the worksheet **PRIOR** to submitting the application.*

How to Complete the Radiologic Technology Application Worksheet - The point system worksheet, shown below, is provided to aid students in planning their classes prior to applying to the Radiologic Technology program and is subject to change by the department without notification. **All courses listed will be compared to submitted transcripts for verification prior to points being awarded** (refer to Application Instructions on how to submit your transcripts). Ties in points will be broken on the basis of overall GPA as listed on the student's transcripts on file with A & R and/or SRJC unofficial transcripts submitted with application. Any further ties in points will be broken by random drawing.

*** = Recency Required** – write in semester course completed (example: Fall 2022). **For the applications for the incoming 2026 class, the recency prerequisite coursework shall have been completed no earlier than the spring of 2021 (5 years).**

Semester Units Earned may vary - dependent on the number of course units.

Examples: 2.667 semester units = enter 3 units 3.3 semester units = enter 3 units

Maximum Semester Units Applied to Application – Based on the number of units for listed SRJC courses.

Grade (Point) Equivalents: A=3 B=2 C=1. Write in both the letter grade and the point equivalent for each course. (example: A (3))

Points Award Calculations: Multiply the number of units applied by the grade point equivalent for each course. (EXAMPLE: ANAT 58 = 3 units; Grade (Points) = A(3); 3 X 3 = 9 points awarded)

Grades for High School AP Classes: Passing scores of 5, 4 or 3 will be accepted as equivalent to the letter grade of A, B or C. Once AP course equivalents are determined to be letter grade A, B or C, the Grade (Point) Equivalents, listed above, will apply for calculating and awarding points.
